Why Form a company in RAK?

One of the main reasons you might choose a RAK IC Company Registration is the unparalleled level of privacy within the company. A great advantage about a RAK company formation is there are no public disclosure of the shareholders, directors or beneficial owners.

When the company is incorporated, you will receive the Company Documents with a great advantage about choosing RAK to form your company, is that despite the company being incorporated in RAK, the company documents of the shareholders produced in English. Therefore, the documents will not need to be translated to English.

A visit to the UAE is not a requirement to incorporate a (RAK IC) company in the RAK. Everything can be processed remotely which will save time and travel costs.

Tax Information for your RAK IC (offshore) Company Registration

The United Arab Emirates does not impose any corporate, personal, sales, inheritance or wealth taxes. Taxes are only levied on banks, petrol and gas extracting industries. The UAE require no Tax Returns for RAK IC Companies.

RAK is on the Organisation for Economic Co-operation and development (OECD) 'white list' for having exchange of information treaties. RAK also has around 45 tax treaties as it is part of the United Arab Emirates. Although, this tends to mainly benefit Dubai companies allowing reduced withholding taxes on dividends and restricting tax overseas.

Company Name

The company name must either be linked to the business activities of the company, or from one or more of the Directors or Shareholders names. The name must end with the suffix LTD or LIMITED. The use of words that represent religious values or suggest a connection with government bodies will be rejected.

Directors, Shareholders and Secretary

For a standard RAK Company Registration, the minimum of one Director and one Shareholder is required. A maximum of 50 directors is permitted. Corporate entities are permitted. RAK offers complete anonymity and privacy of the officers within the company. The Director and the Shareholder of the company can be the same person for a RAK Company formation. Which is perfect for people looking to start a business on their own.

Please note that if the company has a complex corporate structure, an additional compliance fee may apply.

Share Capital

The minimum share capital required for a RAK Company is 1000 AED. The currency must be in UAE Dirhams (AED) and be divided into shares of 1000 AED each. Companies may have different classes of shares in one or more series and can have their own rights, privileges, restrictions and conditions specified.

Annual Requirements for your RAK Company Registration

For a RAK company registration, annual requirements are minimal. On a yearly basis, it is a requirement that a RAK Company renews their Registered Office Address and the Registered Agent service. These services are included in the CFS Annual Renewal cost.

Yearly Renewal £2,077.00

On a yearly basis a RAK Company should be renewed. The cost to renew a RAK Company is £2,077.00.

Discover RAK

Ras Al Khaimah is the northernmost emirate of the United Arab Emirates. It's known for its Arabian Gulf beaches. The National Museum of Ras Al Khaimah occupies a centuries-old fort. The museum features regional history and archaeological exhibits. Nearby is the large, traditional Mohammed bin Salem Mosque. The mountain top Dhayah Fort dates from the 19th century.

Why Use CFS for your RAK Company Registration?

CFS International Formations are here to help take away the daunting process of incorporating a company overseas. We take care of the whole process of the incorporation for you. All that we require from you, is the simple application form which includes all of the company details (Directors, Shareholders etc.) and the Due Diligence (KYC) for the officers within the company. Once we have all of the relevant information from you, we take over the process, therefore taking the pressure away from you.

Our RAK Company Formation package includes much more than just the incorporation. There are no hidden extras or fees. Our fee includes Government Registration fees, Registered Office, Registered Agent for 1 year and Original Copies of the Company documents.

Here at CFS, we care about our customers and we do everything that we can to keep our clients as update as possible. Therefore, we have a strict timescale on getting back to our clients. If you send us an email, we will always aim to reply to you within one working hour. This can be important when forming a company overseas, as it is difficult to find information. You can rely on us to provide you with any information that you require.

Most jurisdictions have laws which require a licenced agent be located in their specific jurisdiction and for them to submit all incorporations and other relevant applications.

The on boarding, compliance and formation will be processed by the agent with CFS acting as introducer and intermediary.
