Price: £749.00

When applying for a Maltese Bank Account, we would firstly try to apply for an Account with two specific Banks. If your application is not accepted with these Banks, we also have alternatives which we are able to approach. The Bank Account can be opened for businesses which have been incorporated in Malta. We work with an International Bank which is located in Malta; they meet our high standards on confidentiality, have an excellent reputation and offer a wide range of banking services which we believe will suit most requirements.

This Bank is only available for companies with a Trading presence in the Country of Formation.
